☐ I agree to the Springer Nature Terms of Use

As a registered user you agree that Springer Nature can collect and use your personal data as detailed in our Privacy Statement.

Register →

Please fill in all fields as required

- **Given names**

- **Family name**

- **Password (12 or more characters)**

- **Repeat password**

Please be informed that you will need to accept our terms of use. -> to read our terms of use click on "**Privacy Statement.**" to be automatically re-directed to the following link https://my-profile.springernature.com/privacy-policy

Please note:

- Your username for Springer Link will always be your email-address.

- Your password needs to meet the following requirements: Minimum 12 characters.

When you have finished entering all your details please click on " Register"

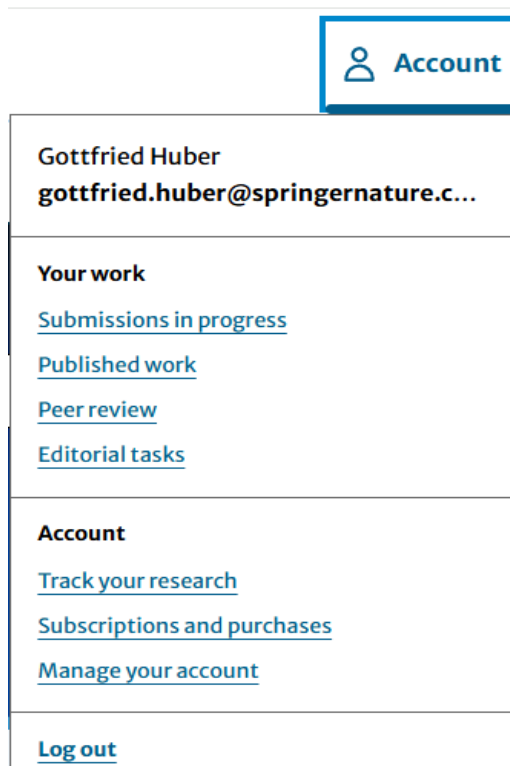

You will receive an E-mail asking you to confirm the registration.

After registration is complete, you may proceed to activate your Association Code.

Activating Your Association Code

Once you have a Springer Link account you can activate your Association Code:

• Log in to your Springer Link account. (on the right side at the top).

• You will now see your e-mail address displayed on the top-right-hand side of the screen.

• Click on "Manage your account". And then on "Linked institutions"

Linked institutions

Enter the code your librarian or administrator provided to link an institution to your account. This will give you access to their library subscription when logged in anywhere, on any device.

Enter code

[   ]

Link institution

We recommend copying and pasting your code in order to avoid any typing errors.

• Now click "Link institutions".

• You should see a message informing you or your new access details.

•You are now an associated member of your society, institution or conference.

Important: it is now necessary to log out and then log back in for access to be updated.

Accessing Journal Content

Once you have logged out and back in, you will have access to your journal/publication.

• To locate your journal please search for the journal title in the Springer Link search box.
